

Under certain circumstances, these loans may be forgiven, but fundamentally the aid is a loan, not a grant or scholarship.

- * VT AHEC Scholars Medical Student Incentive Scholarship/Loan Forgiveness Program (UVMMED)
- * Vermont National Guard Tuition Benefit Program (VNGTBP)
- * Vermont State Dentist Incentive Loan Program (VDENTIST)

The US Department of Education has attached a regulation to this scholarship. They have stated that the award must be treated as a "last dollar" award. Regulations pertaining to this statement are as follows:

- 1) Cost of attendance. A GEAR UP scholarship, in combination with other student financial assistance awarded under any title IV HEA program and any other grant or scholarship assistance, may not exceed the student's cost of attendance.
- (2) Continuation scholarships. A State, or a Partnership that chooses to participate in the scholarship component in accordance with section 404E of the HEA in its GEAR UP project, must award continuation scholarships in successive award years to each student who received an initial scholarship and who continues to be eligible for a scholarship.
- (3) Order of Scholarships. (1) In general in awarding GEAR UP scholarships, a State or Partnership must ensure that, for each recipient of a scholarship under this part who is eligible for and receiving other postsecondary student financial assistance, a Federal Pell Grant, if applicable, be awarded first, any other public or private grants, scholarships, or tuition discounts be awarded second, a GEAR UP scholarship be awarded third, and then any other financial assistance, such as loans or work-study, be awarded.

There are no requirements specific to the type of school or program in which student is enrolled
